

A group of six African school children, three boys and three girls, are standing outdoors on a paved path. They are all smiling and holding up Bibles. The boys are wearing dark blue sweaters with red stripes and grey shorts. The girls are wearing red and white checkered dresses. They are all wearing red socks with white stripes. The background shows a building with a lattice wall and some greenery.

FISCAL YEAR 2026
ANNUAL REPORT

(APRIL 1, 2025 - MARCH 31, 2026)

A LETTER OF THANKS

Over the past year, you've provided help and hope to people in need all around the world. Thank you for making such an incredible impact!

Because of your compassion and generosity, starving men, women, and children now have access to nutritious food. Refugees and displaced people received lifesaving supplies. Women trapped in the sex industry experienced hope and freedom. And people who had been praying for God's Word received their very own Bibles.

Your impact reached communities around the globe in countries like Uganda, Peru, Afghanistan, and Ukraine — but you were also a lifeline here in the U.S. When historic flooding devastated parts of Texas, you stepped in to help families recover and begin rebuilding their lives.

In total, you played a role in impacting 1,009,024 lives in just 12 months!

Thank you for standing alongside us in this mission. Your generosity has been a powerful reminder to people around the world that they are seen, valued, and deeply loved.

Help and Hope,

THIS YEAR!

OUR MISSION

World Help is a Christian humanitarian organization serving the physical and spiritual needs of people in impoverished communities around the world.

Our mission is to provide **HELP FOR TODAY** and **HOPE FOR TOMORROW**.

The idea behind HELP and HOPE is that faith means very little when people don't have access to food, clean water, or the medicines they need ... but without faith that feeds the soul, meeting those physical needs is just a short-term fix. When you focus on both simultaneously, though, the result is true and lasting transformation.

OUR STRATEGY

We work with a global network of trusted partners worldwide to ensure your gifts have the greatest impact.

Because your support is used to help ministries that are already established in the communities they are serving, more of your money goes directly toward helping people in need. And because these partners understand the needs of their local communities best, you can be sure your donations are being used wisely and effectively.

AFRICA

Across Africa, your support made a meaningful difference for vulnerable families and communities.

In the past year, you enabled children in **Uganda** to attend school, provided crucial supplies for impoverished communities in **Zambia**, ensured that refugees from **Sudan** and the **DRC** received emergency aid, and so much more.

You Provided Nutritious Food for Alice and Her Children

Living in an impoverished area of Zambia is already difficult, but for a single mother like Alice, survival had become almost impossible. She balances her time between doing odd jobs around her community and caring for her six children.

Alice works tirelessly, but she rarely earns more than \$50 a month. It's just enough to give her children one meal a day. Some days, they didn't eat at all. Alice feared that her children would become malnourished, and she was quickly running out of options.

Then, thanks to supporters like you, Alice and her family received a lifesaving supply of nutrient-fortified rice! This food wasn't just a lifeline — it was also a reminder of God's love and provision for Alice and her family.

“This rice will now serve as our second meal of the day moving forward,” Alice said. “Thank you so much for thinking of us.”

Because of your generosity, people like Alice can now look toward the future with greater hope and confidence. Thank you for helping to save lives and make a lasting impact!

CENTRAL AND SOUTH AMERICA

Your giving last year also made an incredible difference for people across Central and South America.

From remote villages in the jungles of **Peru** to rural communities in **Guatemala**, you helped provide clean water, nutritious food, and other essentials. You helped children in **Honduras**, shipped lifesaving supplies to places like **Belize** and **El Salvador**, and gave church planters in **Cuba** the resources they need to continue spreading the Gospel.

You Gave Vania a Safe Place to Sleep

Your generosity helped provide essentials to people in need in Peru — like little Vania and her mom, Beatriz.

Ever since Vania's dad died in 2019, Beatriz has struggled to provide for the family by herself. She spends long hours selling spices at their local market, but she barely earns enough to cover her family's basic needs, let alone furnish their home. As a result, Vania had to sleep on the dirt floor of their home, which caused her to get sick often.

But then, world changers like you provided Vania with her very own cot. Thanks to your support, she finally has a safe, comfortable, and clean place to sleep each night.

What may seem like a simple gift transformed Vania's daily life and became a powerful reminder to her family that they are seen, loved, and valued by God and by generous people like you.

“My family and I are extremely grateful for this gift you have sent us,” Beatriz said.

You made a life-changing impact for families like Vania's. Thank you 'for being the hands and feet of Jesus in Central and South America.

MIDDLE EAST

For many people living in the Middle East, conflict and displacement continued to create uncertainty and hardship last year. But in the midst of these difficult circumstances, compassionate supporters like you provided practical help and encouragement.

Families in the **Holy Land** and **Lebanon** received emergency essentials, **Syrian** refugees gained access to medical care and other relief, and Bibles were distributed to persecuted Christians in **Iran**. You made an eternal impact across the Middle East.

You Gave Lifesaving Supplies to Maher and His Family

For Maher and his family, life was already difficult as Syrian refugees living in Jordan. But when Maher lost his eyesight, he could no longer work to provide for his wife and children.

Two of his daughters have medical conditions of their own, but their family simply can't afford treatment. Other essentials, like food, are also hard to come by. Without support, Maher had begun to feel hopeless about his family's future.

But just when all seemed lost, world changers like you stepped in to provide Maher and his family with food and ongoing medical care! Through our partner's medical clinic, they received the essentials they needed to survive.

Now, the clinic staff is exploring options for Maher to undergo corrective surgery to regain some of his sight. That wouldn't have been possible without supporters like you.

“We receive medical help, financial help, books, and medicine,” Maher said. “Without this place, I don't know what we would do.”

Thank you for helping refugees, displaced people, and others living in poverty throughout the Middle East. You helped save lives while demonstrating Christ's love and compassion.

ASIA

You provided life-changing help and hope to people all over Asia. Because of you, Christ-followers and seekers in **China** and **North Korea** received their very own Bibles — many for the very first time. In **Thailand** and **India**, you gave girls trapped in the sex industry the chance to experience freedom. You also transformed lives in the **Philippines**, **Nepal**, **Afghanistan**, and beyond!

You Provided Clean Water in South Asia!

Pastor Dipak* has served at a growing church in South Asia for over two years. When he first arrived, the church didn't have a source of clean water. He saw community members walking long distances each day to collect contaminated water that would just make them sick, and wished he could offer them a place to find both physical and spiritual relief.

Pastor Dipak prayed ceaselessly for clean water so the church could better serve the community ... and world changers like you stepped in to answer that prayer!

Thanks to generous people like you, a clean water well was constructed right on the church campus. Pastor Dipak and his congregation were overjoyed, and they praised God for this miraculous answer to prayer. Now, they have enough water for the entire church family and surrounding community. People can come get water whenever they need it – and when they do, they have the priceless opportunity to hear about the Living Water only found in Jesus.

“We are very happy and deeply thankful to you,” Pastor Dipak said. “Our church members and the children enjoy drinking the clean water, and the clean water that flows from the taps to clean our dishes, clothes, and utensils.”

Thank you for providing the life-changing gift of clean water to people like Pastor Dipak and his community members. You helped meet urgent needs while opening the door for the Gospel to be shared.

NORTH AMERICA

Last year, your generosity brought help and hope to people facing crises both around the world ... and here at home.

When historic flooding devastated communities in **Texas**, you stepped in to provide emergency supplies, practical support, and encouragement to families who had lost so much. Because of you, survivors received the help they needed to begin moving forward again.

You Helped Flood Victims like Rowdy and Katherine

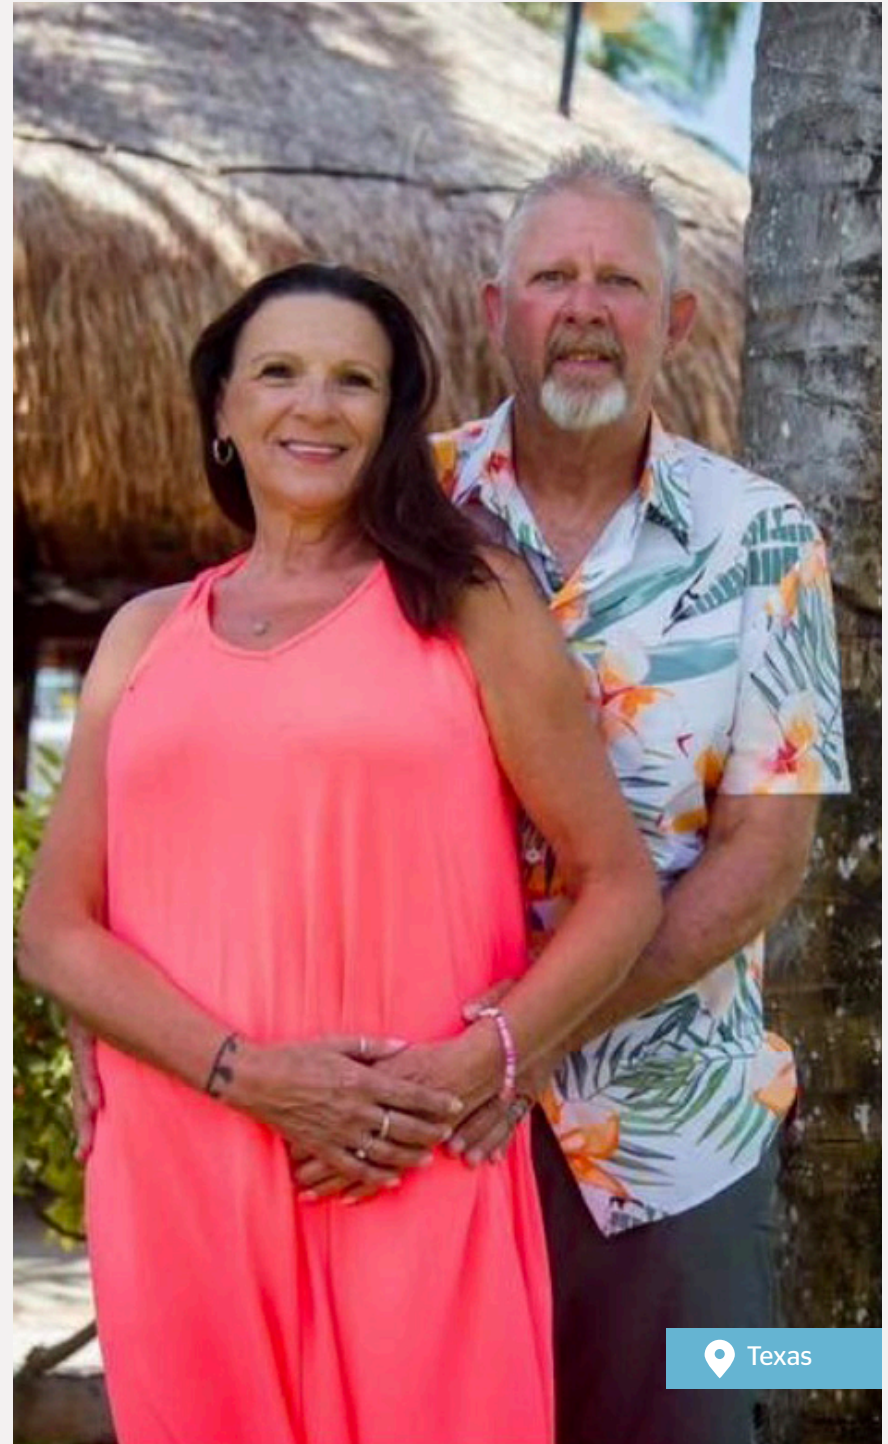

On the morning of July 5, Rowdy and Katherine woke to their Texas home filling with water. The floodwaters eventually receded, but not before causing extensive damage.

To make matters worse, Rowdy's workplace had recently burned down in a fire. In a matter of days, the couple had lost both their home and their main source of income.

Thankfully, world changers like you stepped in to provide Rowdy and Katherine with the essentials they needed to meet their basic needs and financial support to make important repairs to their home.

“It was absolutely amazing to see God working in our lowest moments,” they said. “Prayer truly does work, and God does hear and answer.”

Thank you for giving help and hope to Texas flood victims. In addition to helping meet people's most urgent needs, you reminded people like Rowdy and Katherine they weren't alone and showed them the love of Christ.

OUR FINANCIAL COMMITMENT TO YOU

Your trust is our top priority. Because of that, we commit to being held accountable so you can have confidence your gift is being used responsibly to help as many people as possible.

As part of our financial commitment to you, we promise to ...

- 1 Maximize the impact of every dollar you give to provide immediate help to people with the greatest needs.
- 2 Continue to uphold the highest standards of integrity in our relationships with you and with our partners.
- 3 Regularly report on the impact your gift makes in the lives of the people you are helping.

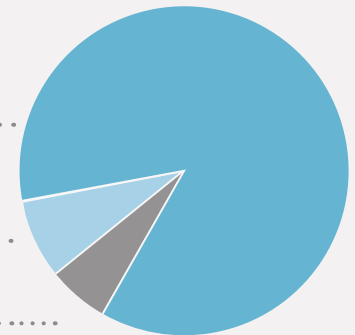

World Help submits to annual review by independent auditors and several nonprofit financial watch groups, including Ministry Watch, Charity Navigator, Candid, and the ECFA. We commit to complete transparency.
